Extended Weights are only authorized on roads and segments included in the EXTENDED WEIGHT COAL HAUL ROAD SYSTEM. A list of those roads is included in Administrative Regulation 603 KAR 5:210. In addition, a list of those roads and the bridges which are posted for a lower weight limit is included in Administrative Regulation 603 KAR 5:230. Contact the nearest *Highway District Office* for additional information on a specific road.

PER KAR 601 135:360, Division of Motor Carriers is required to verify that your vehicle is properly registered to operate with the Extended Weight Decal prior to the issuance of the decal. Properly registered shall mean:

The vehicle must be registered for 80,000 pounds.

The vehicle must have either a Kentucky commercial plate or an IRP plate issued by Kentucky or one of the other IRP states. *(For plates from other IRP states, a copy of the current year registration must be submitted with the application).*

Current year shall mean the corresponding year for which the decal is applied.

The decal is to be placed on the door of the driver's side of the vehicle. The decal shall be permanently affixed on the door immediately below the window using the decal adhesive.

Instructions:

Serial Number - fill in the full serial number of your vehicle.

Current Plate Number - fill in your current (new) plate number.

Decal number - fill in the proper fees per above.

For Category D Applicants - fill in the weight over 80,000 pounds for which you are applying. You must be able to axle the weight as follows: 20,000 pounds per axle and 12,000 pounds on the steering axle.

All applications must be signed by the applicant...
